

COURSE INFORMATION SHEET

University: Catholic University in Ružomberok	
Faculty: Faculty of Arts and Letters	
Course code: KA/Aj-B013A/22	Course title: Phonetics and Phonology of English
Type and range of planned learning activities and teaching methods: Form of instruction: Lecture / Seminar Recommended study range: hours weekly: 1 / 1 hours per semester: 13 / 13 Teaching method: on-site	
Credits: 4	Working load: 100 hours
Recommended semester/trimester: 3.	
Level of study: I.	
Prerequisites:	
Requirements for passing the course: at least 60% success in practical tests, at least 60% success in the oral exam	
Learning outcomes of the course: Knowledge: The students will gain a systematic overview of the phonetic and phonological level of the English language and the processes of production, transmission and perception of the language. In the study process, the students will develop knowledge of English grammar and professional vocabulary at the B2 / C1 level of the European Framework of Reference for Languages. Skills: The students will acquire analytical and synthetic skills necessary for phonological analysis of language (vowel - syllable - word - sentence). The students will use the English language grammatically and pragmatically accurately, and fluently at the B2 / C1 level of the European Framework of Reference for Languages in discussions on various aspects of English phonetics and phonology. Competences: The student will be able to present their knowledge and observations effectively and formally appropriately. Verification methods: 50% practical tests, 50% oral exam	
Course contents: Dialect vs. accent, phonemic transcription, language and communication, physiological and auditory aspects of speech, English vowels, diphthongs and triphthongs, English consonants, syllable structure, syllable types, word and sentence stress, strong and weak forms of English function words; rhythm, assimilation, elision, linking, intonation, tones, tone unit, intonation functions;
