Rationale for establishing the Study Programme Faculty of Arts and Letters, Catholic University in Ružomberok									
Faculty				Faculty of Arts and Le	tters, Catholic	University in Ruzomberok			
Name of the SP:	Systematic Philosophy		Awarded academic degree:		Philosophiae doctor (PhD.)				
Address of the faculty:	Hrabovská cesta, Ružomberok	-α cesta, Ružomberok		Capacity of the SP:		3			
Degree of higher education:	Form of study:		part-time	Standard length (year:	Standard length (years): 4 Language: English				
Persons responsible for the	prof. Dr. phil. fac. theol. Peter Vo Eugen Zeleňák, PhD.	olek; Mgr. Ján Hi	rkút, PhD.;	doc. Mgr. et Mgr. Mar	an Kuna, MA, I	MPhil, PhD.; doc. PhDr. Juraj Šuch, PhD.; doc. Mgr.			
	☑ academically oriented ☐ professionally oriented					□translation			
	☐ translator programme – combination ¹			g		engineering			
	doctoral		□ joint ³			interdisciplinary studies			
Type of study programme:	teaching, single-subject specia	alization	☐ teaching, double-subject specialization						
	=	☐ teaching qualification							
	□ preparation for the practice of a regulated profession ¹ Specializations of the translation (combination) study programme								
	² Specializations of the teaching (combination) study programme								
	³ Definition of study obligations								
Assignment of the study pro	gramme to the field of study and	·		1 .11: 15050 5		1 10000 001			
education:			philosoph	y and ethics, ISCED Fol	T 0223; third o	cycle, ISCED 864			
Justification of the extent o	f content alignment of the study p	orogramme with	the corresp	oonding field of study:					
The study programme Systema	tic Philosophy is assigned to the field o	f study 12. Philosop	ohy according	g to the Slovak Register of	Study Fields. The	study programme meets the requirement of 3/5 degree of			
						for the field of study and, within its course structure, includes			
knowledge reflecting issues of p	philosophical logic, ontology, epistemol	logy, methodology	of sciences, o	as well as practical knowle	dge related to et	hics, political philosophy, and social philosophy. In line with the			
description of the field of study,	the programme develops and deepen	s these areas of kn	nowledge thro	ough intellectual skills tha	t cultivate critical	thinking and analytical abilities.			
	2310003 assistant professor at t	the higher							
Indicative professions:	2633001 philosopher								
	2422016 a specialist in the field	of development	of science,	research, and innovat	on				
Justification of the proposa		a actablished study	nrogram at t	the Excultive Arts and Let	tors CII The stud	ty of philosophy is based on the European sultural and spiritual			
						ly of philosophy is based on the European cultural and spiritual ncrease the attractiveness of study programs at the Faculty of of			
						ack from teachers of the study program, students, employers,			
						the learning objectives with the mission, strategic objectives and			
long-term objectives of the Catholic University, and also determined the profession that graduates can perform.
